

The Wanderer III Waiver

I hereby certify that I have read the agreement on the Wanderer web page, and that I have submitted all the necessary information concerning my health, both mental and physical, in order for the good people at Wanderer to be able to maximize my live-playing experience to the fullest, for the joy of everyone. I also certify that I have paid the ridiculously low participation fee, and to prove this I present the receipt along with this document to the Wanderer people.

I also certify that I know that I am taking part in the worlds largest independent and non-commercial live role-playing game and that the people at Wanderer have used excessive amounts of time to create this once in a life-time experience. Thus I will respect this by promising to refrain myself from spoiling everybody else's fun in such a manner that might be considered unethical and reckless, and thus endangering anyone, including myself. I remember that Finnish laws apply in Finland and Swedish laws in Sweden and I will respect these.

I relieve the Wanderer GMs from any responsibility concerning my own actions and any damage, that might occur to me physically or psychologically or any damage caused by me to other people or property.

I will also keep from whining and bitching and will happily accept the words of the GMs as the final judgement, knowing that if my character should, God forbid, die, I will always get another character that is as great as the deceased character. This service has been provided to me by the wonderful people at Wanderer.

I know that an epic adventure awaits me and I am ready for it.
